

## Crop Prospects "Very Good"

A review of crop reports received this week from 15 Alberta Wheat Pool agents in the County of Vulcan shows that conditions are generally considered to be "very good" with the warm, sunny weather and very light winds of the past week providing ideal growing conditions.

The week of July 16-23 passed without further hail damage and rainfall ranged from one-tenth of an inch at Brant to eight-tenths at Milo.

In the south-east corner of the county, agents at Armada, Lomond and Travers make the observation that an inch of rain in about a week's time would be welcome to help fill the heavy crops.

Rye and winter wheat are starting to ripen. Haying and summer-fallowing are in full swing in all districts.

Alberta Wheat Pool No. 1 elevator agent Larry Hagg and his assistant, Fletcher Baskin, were busy people last Thursday, as the above photo of trucks waiting in line to unload wheat at the elevator will attest. A little space became available when the Pool ship-

ped out five cars of grain to Calgary and shortly after 3:00 a.m. this double line of trucks was waiting to get on the scales. Most local elevators are now pretty well full, with little room for the additional recent spring wheat quota of five bushels per seeded acre.

Total quotas at Vulcan are now six bushels per cultivated acre plus nine bushels of spring wheat per seeded acre but it is unlikely that room for the full delivery quota will be available before the end of the crop year.

## Lomond Bull Grand Champion At Lethbridge

B.D. Bolduc of Lomond exhibited the Grand Champion Bull at the Lethbridge exhibition held last week.

Several other awards were won by entries from Mr. Bolduc's Hereford herd, including Senior Champion and Reserve Junior Champion bulls; first in Class 116 bulls; second in Class 118 bulls; second in Class 119, females with calf at foot; third in Class 120 females and third in Class 122, breeder's herd.

## Swim Team To Compete

(By Grant Russell)

A swim team has been formed in Vulcan to defend the Challenge Trophy offered by High River last year. There are swimmers on the team ranging in ages from 9 to 18 and numbering about 30. According to a schedule drawn up at Claresholm on July 16, Vulcan will be invited out to three swim meets and will play host at one swim meet involving three other teams. The meets are held on Sundays

beginning after dinner and finishing in either the evening or late afternoon. On Vulcan's day, a small catering table will be laid for the visiting teams. Trophies and ribbons will also be presented in the evening to winning competitors.

The schedule runs as follows:  
CLARESHOLM — AUG. 1  
VULCAN — AUG. 15  
HIGH RIVER — AUG. 29

The team has a lot of spirit and has been practicing and drilling diligently but they have come across one problem — transportation. This, then, is an invitation to all persons who have access to transportation on those listed dates to see the swim meet in the respective towns. A road map and a handful of delightful trip companions would be provided for any persons interested in seeing the meets. There is not a restriction to include only parents; on the contrary, it is an invitation to anyone who drives. The swim coach alone could not put 30 kids in his car, so if you are interested please contact any member of the team or any of the swimming pool staff.

The swim team will be competing locally every second Saturday at 12 noon, so here is a chance to see Vulcan's fastest swimmers.

## Results of First Vulcan Meet

A swim meet was held in Vulcan last Saturday with the kids swimming to make a place on the team. Of the competitors that came out, the winner of each event was as follows:

The dates and sites of the '65 Provincial Swim Meets have been finalized with the results that Turner Valley will be holding that meet on the 21st of August. Turner Valley had originally planned to hold their meet on the 8th. Vulcan Swim meet date has been forced to change to the 15th so the above schedule is the final one.

Starting on Monday, August 2, the pool will be holding a Bronze Medallion Class and applications to take the course are now being accepted. The candidate must be 14 years of age and either hold or be capable of holding the Red Cross Senior Swimmer Award. Forms may be obtained at the Swimming Pool Office.

As of the 2nd of August the schedule for the pool will undergo another change. The Public Swimming Hours will be the same and also the Red Cross swim lessons will remain but the Ladies swim has been dropped for the Lifesaving course to be held from 1:00 p.m.-2:00 p.m. and the Girls Synchronized Swim Club previously held Tuesdays and Thursdays at 1:00 p.m. will now be held at noon on the same days. The Swim Team will not meet on the Saturdays in which there are Red Cross examinations.

are two. However these shouldn't be regarded as foolproof. In this game there's no substitute for experience and either you just know a mushroom when you see one or should ask someone who does.

## Mossleigh Hosts 4-H Delegate

Eileen Penny, 4-H council delegate of Campton, Newfoundland, was a guest at the home of Mr. and Mrs. W. Koole and family of Mossleigh for a week. While there she was taken to Vulcan to meet the District Agriculturist Clarence Roth and shown around the town of Vulcan, also various farms throughout the county. The Kooles also hosted her to a weekend trip to Banff, and on their return toured the Calgary Zoo and various points of interest in Calgary.

On Monday evening July 19, the Mossleigh 4-H Clothing and Beef Clubs hosted Eileen and all members' families with a wiener roast. This was a new experience to the guests — wiener roasts in her part of Canada are unknown. A lovely souvenir from the Mossleigh 4-H Clubs was presented to her along with a pin bearing the Alberta Crest.

Eileen left our part of the country very tired but thrilled and happy and will never forget the hospitality of the wonderful people she had met at Mossleigh.

## Recreation Centre May Be Vulcan's Centennial Project

Only 15 persons attended the annual meeting of the Vulcan District Recreation Society Friday, July 16 which saw the present slate of officers re-elected and plans outlined to apply, through the town, for a centennial grant for the centre building project. Sparse attendance was attributed mostly to the mid-summer date of the meeting, however this was necessary due to conditions of the Societies Act and the urgency of the centennial plans.

Almost a repeat slate of officers was named including president, Pat Walker; vice-president, John Wolfe; secretary, Virginia Mitchell; treasurer, Gordon Brown; publicity chairman, Frank Wythe; finance, Bill Richardson; building, Boyd McKay.

Directors appointed at the meeting are Wallace Taylor, Lundy Findlay, Dick Hammer, Mel Jordan, Howie Klippert, David Mitchell, Peter Pickersgill.

Of the \$30,000 purchase price of the former Meadowlark Park curling rink of Calgary, of which the moveable portions are stored at Vulcan, the gathering was told by Gordon Brown in his financial report, that \$1,654.29 is still owing to contractor Bill Wearmouth. Also owing is \$6,730.61 on a bank loan and at present there is a bank balance of approximately \$350 plus postdated cheques to the value of \$942.90.

To this point the society has raised a total of \$19,416.00 through public donations and \$1,005.00 through such money-making schemes as the carnival put on by women's organizations, raffles, etc. Immediate problem facing the recreation group concerns the possibility of a centennial grant. It is feasible that the building of this recreation centre could be named as Vulcan and district's centennial project giving it a per capita grant. However application must be in the name of the Town of Vulcan and must be made before August 31.

The County of Vulcan has decided to waive its rights to the Centennial Grants in favor of the town and villages and the farm populations immediately adjacent thereto and will also contribute \$1 per capita for the rural population in the areas adjacent to the town and villages. The areas considered to be "adjacent" to the town and each village must be approved by the County Council.

After much discussion on the support which may be expected from town council it was felt a set of plans for the building, now in Calgary, and an accurate cost of reconstruction be forwarded to council at once so application can be made.

Members felt that with the project now within sight of rebuilding.

ing stage, by the inclusion of it as a centennial grant and with benefit of the winter works plan, a good start in further financing can be made.

It was emphasized by president Pat Walker and treasurer Gordon Brown in their reports that one of the crying needs from now on is in more persons willing to help as directors of the Centre committee. They felt it was too huge an undertaking for the present group, most of whom were in on the original committee three years ago, and newcomers must be found whose ideas and help can give needed strength to the society.

It was observed that if it is found the town and district doesn't want the building or if lack of interest and support force the group to give up its project, the assets can be disposed of and leave the society in the clear financially.

## Accident On Highway 23 Takes One Life

One died and two were injured in a one-car accident on Highway 24 last Friday evening, July 23.

Killed when the car in which he was riding failed to make a curve near the Carsland bridge was Gregory W. Tomalty, 20, of Red Deer. The other occupants of the car, Gregg Pilling, 21, of Lethbridge and Mervin MacDonald, 21, of Edmonton were hospitalized at Vulcan following the accident but their injuries are not considered serious. The accident is being investigated by the Strathmore detachment of the R.C.M.P.

## 38 On Trail Ride Excursion To Foothills

Thirty-eight members of the Vulcan Light Horse Association made up the caravan of trail ride enthusiasts who motored to the Cartwright ranch west of Cayley for a thrill packed weekend.

Leaving early Saturday, July 17, the group headed for the hills to enjoy near-perfect weather for the entire three days.

Under the able leadership of trail boss Morley Seobie, youngsters and oldsters alike rode through bogs, climbed mountains and forded streams with every minute more breathtaking than the last.

Assistant trail boss, Bob Cutler also had his work cut out for him keeping the thirty-odd heads counted. The weekend consisted of a series of three to four hour rides out of camp which proved to be quite enough for a number of riders, some of whom hadn't ridden for years.

The first-rate meals, under the management of Phyllis Dunham, were a welcome sight to the weary riders and left-overs were almost non-existent.

Excepting for a rather trying first night with restless horses, the only regret was the brevity of it all and the camp authorities spent their time formulating plans for bigger and better trail rides to come.

## 4-H Visitor From N.B.

The provincial exchange of 4-H boys and girls across Canada has begun and this area recently played host to 18-year-old Vida Urquhart of Taymouth, New Brunswick, seated above. To her left is Donna Morrison, daughter of Mr. and Mrs. Don Morrison, farmers of the Tongue Creek district north-west of High River, with whom she stayed until the 26th of this month. At the right is Linda Maier, who with her parents Mr. and Mrs. Paul Maier of Lomond, entertained Vida and showed her as much of the western farmer's way of life as her short time permitted. Vulcan District Agriculturist Clarence Roth is shown with the girls.

This port and pretty goodwill ambassador from the Atlantic Coast is the youngest of a family of five whose parents, Mr. and Mrs. Angus Urquhart, are considered among the larger farmers, running 200 acres in Shorthorn cattle, potatoes, oats and some lumbering. Interest in her occasional lapse into an Atlantic accent left the question of where lumbering entered the farming picture forgotten.

Although not a great distance from the ocean the climate of Vida's home area does not follow

the expected damp pattern and this summer many forest fires have been experienced because of dry conditions.

Arriving by jet, her first air trip, to Edmonton on July 13, Vida was invited to a steak fry where her first impressions of this part of Canada were "It's big and so are your mosquitos... they almost steal the meat from your plate".

Another first came when the Maiers took her to the Medicine Hat Stampede which she enjoyed thoroughly despite the absence of chuckwagon races. Another trip took the family and guest to the Lethbridge Calf Show, part of the Exhibition.

So far Vida is not convinced our Rockies are the awesome, impressive giants she has read about but never seen. This fallacy was to be rectified by a trip to the mountains "and maybe Banff" planned by her High River hosts.

Her 4-H record, leadership ability, knowledge of 4-H work and success in tests have brought to this clothing club member her trip of a lifetime. Homesick? "I thought I would be but I've been too busy to give it a thought," she said.

## Mushrooms Are Big, Plentiful

The after effects of the heavy rains of June and early July are prospects of a heavy crop by many and a discouraging year for those hit by hail but for everyone there seems to be a bonus of mushrooms galore.

Don Houlton is among several persons who have found fantastic sized specimens in pastures and around buildings this summer. One brought in by Don measured 12 inches in diameter. Now it's only a matter of affording the steaks to go with this delicacy.

As a warning to the inexperienced, there are several ways described by some as safe identification of mushrooms from the poisonous toadstools. Color of the undersurface and ease of peeling

The new building now under construction on the property formerly owned by J. J. Price next to the I.G.A. parking lot on Centre Street is being built for a Calgary

pharmacist, Larry Bartman, who plans on opening a new drug store in Vulcan some time next month. When the picture above was taken, the walls had just been completed,

but since then the roof has been put on and work is progressing rapidly.

## Oakes-Williams Wedding Held At Arrowwood

The Church of the Brethren at Arrowwood, was the scene of a pretty wedding on Saturday, June 5, when Gale Frances, daughter of Mr. and Mrs. Leonard Williams, became the bride of William Frederick, son of Mr. Fenwick Oakes, and the late Mrs. Janet Oakes, of Arrowwood. Pastor Irvin Krause performed the double-ring ceremony at 4:00 p.m.

The bride entered the church on the arm of her father, to the tune of the Bridal Chorus. She looked lovely in a floor length dress of white nylon net over taffeta with floral bouquets embossing the skirt, and with white net flowers forming a V below the waist at the back, and featuring a full skirt and wrist length lilypoint sleeves. The scoop neckline was made up of pearls and sequins. She carried a bouquet of red roses, over a white Bible, and wore a teardrop pearl necklace, gift of the groom. Her waist length veil was held in place by a pearl tiara. Maid of honor, Miss Ruth Holoboff, and bridesmaids, Misses Karen Burris and Faith Williams, wore identical dresses of pink sheer over taffeta, and carried matching bouquets of white carnations with pink centres. They wore head pieces of pink flowers clustered in pink net. Little Marla and Colleen Bennett of Armada, niece of the groom, were flower girls, and wore full skirted dresses of white with pink flowers, and carried baskets of pink carnations.

The bride's mother chose for the occasion, an ensemble of turquoise lace, over taffeta, with white accessories.

During the ceremony, Eugene Burris sang two solos, "The Wedding Prayer" and "We Know Who Holds Tomorrow", accompanied by Mrs. Beauford Culp on the piano.

The groom was accompanied by Tom Williams as best man, and Ted Oakes as groomsman. Ushers were Bob Oakes and Fred Bexte.

Following the wedding, a reception was held in the community hall. Master of ceremonies was Ted Oakes. The toast to the bride was given by Richard Vachon, brother-in-law of the bride, and ably responded to by the groom.

Guests were present from Vancouver, Swift Current, Edmonton, Staveland, Didsbury, Calgary, Milo and Arrowwood. After a honeymoon trip to points in B.C. and Alberta, the young couple will make their home at 2212 25th Ave NW Calgary.

### QUEEN DRAMETTES WIN IN LETHBRIDGE PARADE

The Queen Dramettes of Carmangay represented their hometown with a decorated car in the Lethbridge Parade but although they were parked in the proper division they were mistaken for a float entry and redirected to another division "District Commercial Floats" where they were competing with the Calgary Stampede Float and one entered by the town of Claresholm. Even so the hard work of the gals paid off and they walked off with the third prize of \$25.00 which will be used to partly reimburse the Drama Club for the expense of their decorations.

The girls were assisted by Harold Lehto who built them a frame which was put over the car and covered with cardboard. From this they created an "Enchanted Garden" complete with a fountain, artificial flowers, duck ponds with baby plastic ducks, a stairway leading from the fountain to the duck pond, giant bumble bees and butterflies, two pink flamingos, a squirrel, birds, a frog and a dwarf and a magic toadstool. Surrounding the garden was a carpet of grass. Thousands of real poplar leaves were pinned to sheets which were hung from the platform and draped to the ground.

The car was decorated in Lethbridge at the home of Dr. and Mrs. W. Cranley and was decorated by Verna and Marilyn Baldwin, Jolayne Anderson and Mrs. Barbara Howzeck who worked all night Sunday and finished at 8:20 a.m. just in time to get the car into position for the judging.

30, was guest of honor at a community shower held in Dinton Hall. Hostesses were Mrs. Clarence Sultor, Mrs. Lorne MacIntosh, Mrs. Gerald Newman, Mrs. John Gillanders, Mrs. Herb Willoughby, and the members of Dinton W.A. Well over 100 guests attended. Mrs. Jack Thurber was mistress of ceremonies and welcomed the bridal party-to-be and the guests.

Large baskets of pink and white peonies against a pink and white and turquoise lattice, decorated with roses, made the background for the bride's table. A beautiful bouquet of pink and white flowers in a crystal bowl, flanked by tall pink tapers in crystal holders centred the table, and pink roses floating in crystal goblets were placed at each end. Seated with the bride were her mother, Mrs. Urban Bricker, the groom-elect's mother, Mrs. R. S. Hurl of Mossleigh, and bridal attendants Lorna Hurl, Marlene Melling of Calgary, and Mrs. Albert Brasseur of Mossleigh. A corsage for the bride was presented by her aunt, Mrs. Ronnie McKeage, president of Dinton W.A., while her cousins Margaret Anne Laycraft and Lorna McKeage presented corsages to Mrs. Bricker and Mrs. Hurl.

A pleasing program had been arranged. A clever original song about Karen and Allan by Mrs. Stewart Meadows, to the tune of The Surrey with the Fringe on Top was sung by Marilyn Meadows and Linda Percival in costume, accompanied by Colleen Eamor. This was followed by another of Mrs. Meadows' clever originals about Karen and Allan to the tune of "Henry the 8th I am", sung by Linda Percival, Colleen Eamor, Avonol Eamor, and Marilyn Meadows. A piano solo by Margaret Anne Laycraft was much enjoyed.

Then followed a rather hilarious fashion parade, with some real creations for the bride's trousseau being featured. Gowns modelled were the pencil dress by Mrs. Clarence Sultor, the print dress by Mrs. Herb Willoughby, the sack dress by Mrs. Stan Gillanders, the metallic dress by Mrs. John Gillanders, the 'can can' by Mrs. Jack Thurber, the 'mou-mou' by Mrs. Frank Thurber, the 'duster' by Mrs. Clayton Thurber, the balloon dress by Mrs. Lorne MacIntosh, the box suit by Mrs. Ronnie McKeage, and the twist dress by Mrs. Geordie Gillanders. Mrs. Gerald Newman was the commentator and Mrs. Milo Stier played very appropriate music.

A bright copper-tone "Rambler" which had a distant resemblance to the groom's car, filled with gaily wrapped gifts was driven in by Darren Gillanders, Lynette Gillanders, in dainty costume with parasol, was beside him. Mrs. John Gillanders made the presentation.

After the many beautiful and useful gifts had been opened and passed, the bride-to-be thanked everyone very graciously, and a delicious lunch was served.

## St. Aldhelm's Ceremony Unites Marilyn Frost-Stewart Gillespie

St. Aldhelm's Anglican Church at Vulcan, was the setting for a lovely summer wedding at 3:00 p.m., Saturday, June 19th when Marilyn Kaye, only daughter of Mr. and Mrs. Reginald Frost and Clare Stewart Gillespie, son of Mr. and Mrs. Charles S. Gillespie of Enchant, were united in marriage. Rev. Victor Cowell officiated at the double ring ceremony. The vows were spoken before an altar decorated with pink and white flowers. The guest pews were marked with bows of white satin and tulle. Mrs. Robert Todd presided at the organ and accompanied the soloist Mrs. James Lay who sang the Lord's Prayer.

The bride, given in marriage by her father, wore a full length gown of white nylon chiffon. The fitted bodice was styled with a lace yoke and featured lily joint sleeves. Her bouffant shoulder tip veil misted from a pearl coronet. She carried red sweetheart roses mounted on a white lace covered Bible with red rose buds cascading from white satin streamers. The bride's only jewellery was a gold locket, a gift of the groom.

The bridal attendants were the Misses Selma Hammer and Ruth Caufield as maids of honor. The bridesmaids were Miss Carol Gillespie, sister of the groom and Miss Donna Rae Maronda, cousin of the bride. All wore identically styled frocks of pink and blue lace

cutting of the beautifully decorated three-tiered wedding cake (made by the mother of the bride) a solo, The Wedding, was sung by Miss Nola Bonerty. Several congratulatory telegrams were read by the master of ceremonies. A comic presentation of "Marilyn, five years from now," was given by Mrs. Peggy Lay. Open house and dancing to music by Frasers Orchestra followed the reception.

For travelling the bride donned a two-piece aqua, double knit suit, with a slim skirt and trotter length coat, complemented with white accessories and wore a corsage of red roses. Following a honeymoon trip to B.C. the happy young couple are at present residing in Lomond.

Out of town guests were present from Consort, Calgary, Lethbridge, Bassano, Hussar, Champion, Edmonton, Red Deer, Vulcan, Carstairs, Sibbald, Vauxhall, Taber, Enchant, Sedgewick, Cold Lake, Penhold and Esterhazy, Saskatchewan.

## CLERICS' CORNER

This week's contributor: Rev. Victor G. Cowell  
St. Aldhelm's Anglican Church

There have been many opinions expressed to me about a recent letter I wrote to the editor of the "Chateleine" Magazine regarding "Common Law" marriages, so I think I will try to clarify my position in my article this week.

First I would point out that my letter was simply an expression of my disgust that the magazine in question could publish an article which tended to glorify a common law marriage — our Lord Jesus Christ and His body "The Church" will always show love and understanding towards those people who have made a mistake and who have sinned but I am certain that He doesn't condone a sinful act as being a good thing — He is just merciful and forgiving to the

sinner — as He is to all of us sinners. The church through the centuries has always tried to follow Jesus Christ in this.

Some people in their letters have made much of the terms "Love" and "Kindness" — but I wonder whether they have thought enough about whether it is loving and kind to show so much intolerance and hate to a marriage partner that it leads finally to divorce. Love and sympathy should begin at home where it is hardest — it is often so hard I know that it needs all the "Grace" that God can give us — but the vows you make are before Almighty God — and if you are not sure whether you can meet God's demands — examine carefully your motives for wanting to get married.

## July Bride-elect Research Grant Honored In Calgary

A number of past Queenstown and Milo friends and relatives of Miss Marilyn Durston, daughter of Mr. and Mrs. Frank Durston of Queenstown, gathered at the home of Mrs. Orpha Parfett recently to honor her at a miscellaneous shower.

Mrs. Orpha Parfett depicted Marilyn's life with a musical program presented by Orpha's three sons Rodney, Craig and Blair on the electric organ, piano, clarinet and drums.

Mrs. W. D. Campbell, aunt of the bride-elect, presented corsages to Marilyn, her mother and attendants and expressed the group's best wishes as Craig and Blair Parfett carried in a beautifully decorated basket, filled with gayly wrapped gifts.

Marilyn was assisted in opening her gifts by Mrs. Elaine Fisher and Miss Beth Cleo. A picture hat was made as Mrs. Campbell pinned the bows from the parcels on an aluminum pie plate. It was then modelled by the bride-elect.

Miss Judith Willard accompanied by Mrs. Maughline, rendered two lovely solos, Love Is Deep and Climb The Highest Mountain.

Lunch was served by Orpha Parfett, assisted by Mrs. W. D. Campbell and Mrs. Doreen Baker. This being the bride-elect's birthday, a beautifully decorated birthday cake made by her aunt, was then presented to her while everyone sang happy birthday.

A research grant of \$43,700 has been awarded to the Agricultural Economics Department of the University of Alberta. The award, made by the Agricultural Rehabilitation and Development Act (ARDA), is for a two-year study of ways of increasing the capacity of Alberta grazing land.

From 1951 to 1961, there was a 55 percent increase in cattle numbers in Alberta. During this same period the acreage of grazing land increased by only 11.4 percent, said Dr. H. C. Love, project director, who announced the grant.

First phase of the study will look at the problem from the viewpoint of individual farmers and ranchers. Results of the survey will give livestock producers new information on pasture costs and development. It is also designed to help provincial administrators estimate the demand for additional grazing area.

Phase two will provide most information necessary to decide where to spend money in the five provincial grazing areas.
